

A REVIEW OF COMPLAINTS AT CO-OP HOMES IN 2023-2024

part of RHP Group

During 2023 to 2024 we received 11 complaints from 10 residents living in (300) homes owned by Co-op Homes.

- Seven complaints related to our repairs and maintenance service.
- Two complaints related to how we dealt with anti-social behaviour issues.
- One complaint related to rents and utility supplies after moving into a new home.
- One complaint additionally related to how we dealt with rent.

In 50% of the cases, the complainant was not satisfied with Co-op Homes' reply at Stage 1 of the Complaints Policy and they asked for their complaint to be escalated to Stage 2.

None of our complaints were referred to or investigated by the Housing Ombudsman Service in 2023/24.

Conclusions:

The complaints we received covered a range of issues, but the common themes of dissatisfaction which we will attempt to resolve are:

- Not keeping customers up to date
- Not replying to emails

We should be easy to contact via telephone on 020 3166 2608 and always reply to an email within 48 hours. We're keen to know if we fall short and we're grateful for any feedback on our complaints process.
